What support can you access?

If selected, your organisation will follow a tailored support journey designed to maximise your project's impact:

Based on your needs, we will support you with:

Exploitation and dissemination plans for your Key Exploitable Results

Individual advisory on IP, Standardisation, and coaching on follow-up funding

Pitching training + matchmaking with investors & partners

Promotion of research results and visibility of the organisation

Who Can Apply?

We're looking for committed organisations ready to scale their research results

- ☒ EU-funded Widening action under Horizon 2020 or Horizon Europe
- ☒ Supporting Key Exploitable Results directly or indirectly linked to Widening actions
- ☒ Organisations registered as legal entity in one of the Widening Countries or Outermost Regions*

** Consult the full list of eligible countries on our website*

Eligibility criteria
